SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.56. An International Search Report has been received in the related PCT application (application number PCT/US99/28300), and the references cited in the International Search Report are included with this statement. No representation is intended that a complete search has been made of the prior art or that no better art references than listed below are available. A copy of each reference is provided for review by the Examiner. The filing of this Statement shall not be construed to be an admission that the information

None of the cited art is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

This Statement is being submitted before the mailing date of the first Office Action on the merits in the captioned application. Accordingly, Applicants believe that no fee is required. Please charge any fees that might be due in connection with this Information Disclosure Statement to our Deposit Account No. 10-0435 with reference to our matter number 3220-68450. An extra copy of this Information Disclosure Statement is enclosed for that purpose.

Respectfully submitted,
